The $100 campsite deposit for this summer reserves space for your unit to attend camp during a specific week.

Wall Tents

Our tents are Diamond Brand Wall Tents with a bug screen and window ventilation. Each tent is on its own tent frame and eliminates the need for a ridge pole.

Latrines

Each campsite has its own latrine complete with hot showers and flush toilets.

Separate lockable shower and restrooms provide for privacy for each scout and leader.

Our latrines do not have electricity or lighting. You may want to bring your own source of light for night-time.

Things to Know

- Troops will be given a fire safety campsite check list. We will provide you with a bucket and rake if you do not have your own.
- Trash should be picked up daily.
- Keep food secure from Camp Bud Schiele critters.
- Advise your Scouts not to walk through another units campsite.

- These numbers are provided to give you an understanding of the maximum number of Scouts and Leaders that could fit into any campsite. A unit that brings fewer Scouts than the site minimum may be asked to share that site, or to move to a smaller site. Likewise, if a unit exceeds the maximum size of a site, they may be asked to move as well. Camp Bud Schiele staff will work to accommodate each unit as much as possible. Your patience and understanding are appreciated.
- We do our absolute best to make sure every adult has their own tent, but only if you report your adult counts in a timely manner and space allows.
