Welcome to Camp Bud Schiele

Dear Scouts and Leaders,

On behalf of the Piedmont Council, we are excited to welcome your scouts and leaders to **Camp Bud Schiele's 2027 – "A Scouter's Life for Me"**! For 45 years, our camp has been a place where Scouts grow in skills, confidence, and leadership while creating memories that last a lifetime. We are honored that you have chosen to share a week of adventure with us this summer. We want to be remembered for the total camp experience, and our camp motto "**Campers First.**" We offer a full merit badge program focused on quality not quantity, and take pride in our instruction. We also offer a full variety of older scout programs we know will meet the needs of all your troop members.

From advancement in merit badges to high-adventure activities, from exciting campfire programs, and camp wide events to quiet reflection on our trails, your Scouts will find challenges and experiences that inspire them to do their best. It is our goal at Camp Bud Schiele to ensure every Scout has the best possible summer camp experience.

As a leader, your role is vital in helping your youth get the most out of camp. You set the tone, encourage participation, and guide them toward achieving their goals. We want you to know that we are here to support you in every way possible and that support begins with our **2027 Camp Bud Schiele Leader's Guide**. Whether it's planning, logistical needs, or simply ensuring that each Scout has a positive and safe experience, we are your partners throughout the week.

While at camp, we encourage you to connect with our leadership team to share feedback, ask questions, or simply enjoy a cup of coffee together. Camp Bud Schiele has always thrived because of the partnership between our volunteer leaders and our camp staff—and we want you to feel at home here.

Thank you again for your commitment to Scouting and for giving your Scouts the summer camp experience they deserve. We look forward to welcoming you this summer and to sharing another memorable season of adventure, friendship, and growth at **Camp Bud Schiele 2027- A Scouter's Life for Me**.

Yours in Scouting,

Why Choose Camp Bud Schiele?

At Camp Bud Schiele, our Camping Committee takes pride in offering a program that balances the best of Scouting traditions with innovative opportunities for growth. Scouts can enjoy:

- **A Wide Variety of Merit Badges & Programs** – From our Trailhead program (First-Year Camper), aquatics, ecology, and handicrafts, to range activities, climbing, high adventure, and our skilled trades program, there's something for every Scout to enjoy.
- **Experienced and Dedicated Staff** – Our team is made up of seasoned leaders, many of whom are former Scouts who understand the impact camp can have and are passionate about delivering the best experience possible.
- **Quality Facilities** – With a beautiful lake, well-maintained campsites with flush toilets and hot showers, and program areas designed for learning and fun, Camp Bud Schiele offers a setting that inspires outdoor adventure.
- **Traditions with Spirit** – From campfires to flag ceremonies, from the canoe race to the Grand Ol' Adventure, Scouts leave each week with stronger bonds, leadership, and service.
- **A Commitment to Safety and Growth** – We strive to create an environment where every Scout feels challenged, supported, and successful.

Beyond the activities, Camp Bud Schiele is more than just a summer camp—it's a community. Many leaders and Scouts return year after year because they know this camp is dedicated to providing not only advancement but also unforgettable experiences.

We know that choosing a summer camp is one of the most important decisions a troop makes each year. At Camp Bud Schiele, we are confident that your Scouts will return home with new skills, new confidence, and stories they will share for years to come.

We would be honored to welcome your troop in 2027. If you have any questions or would like more details about our programs, please don't hesitate to reach out to our council office. Our summer camp staff and our camping committee are committed to making next summer one your Scouts will never forget.

What's New for 2027?

Updated Daily Schedule

Improvements have been made to the 2027 daily schedule. Please familiarize yourself with the changes before coming to camp. Changes have been made keeping the Scout in mind to better serve everyone while at camp.

Additional High Adventure Program - RIVER GAUNTLET

A NEW and EXCITING experience is coming in 2027! Introducing Camp Bud Schiele's River Gauntlet, a four day, four river white water rafting experience. This is an overnight experience where Scouts will be off camp property from Monday morning-Thursday afternoon. Please see the 2027 Program Guide for additional details.

NEW ½ Day Range Program - Schiele's Sharp Shooters

Looking for something exciting and different for your older Scouts? Look no further than the Advance Range Activities Experience at Camp Bud Schiele! This ½ day experience exposes Scouts to different Range Activities. See the 2027 Program Guide for additional details.

Updated Menu-Meeting more dietary needs

Camp Bud Schiele understands the need to meet the growing needs of individual diets. We are working this off-season to improve our entire dining experience and look to provide better service, more options, and a better menu for all. A new dietary restrictions procedure will be used in 2027 meeting the needs of more of our campers and adult leaders.

Scoutmaster Dinner

As a thank you for your leadership during the week, Camp Bud Schiele is proud to bring back the Scoutmaster Dinner! We will be offering a Surf (salmon) and Turf (steak) dinner with baked potato, salad, and roll. Get ready to enjoy a great meal provided by our senior staff!

New and Improved Online Event Registration System!

Tentaroo is closing their doors on Oct. 31, 2026 and the Piedmont Council has partnered with CouncilWare to meet the needs of our units attending camp. Stay tuned for additional information.

“Be Prepared” for Summer Camp

Unit Reservations

New Unit Reservations

In order to reserve a campsite on a specific week, a **\$150 deposit** is due at the time of reservation. While we work to adjust to the new registration system, please email Trilby Coleman (trilby.coleman@scouting.org) to reserve and pay your campsite deposit. The deposit will be applied to your unit's balance and is not an additional fee.

Smaller units may be required to share their campsite with another unit. **Camp management reserves the right to re-assign campsites as needed to accommodate all units attending camp for the week.** We will make every effort to accommodate your original campsite reservation.

2028 Unit Reservations

Units attending Camp Bud Schiele in 2027 have first preference in making the same reservation for 2028. The deposit for 2028 can be submitted while at camp during the 2027 Settle Up or the Piedmont Council office. This deposit is required in order to confirm your requested campsite for 2028. After the last week of camp, all unreserved campsite spots become available to any unit on a first-come, first-served basis.

Provisional Scouts

Scouts who are unable to attend during their unit's week of camp are welcome to attend an alternate week by registering as a Provisional Scout. Provisional Scouts will stay in a campsite with an established troop that is in camp for the week.

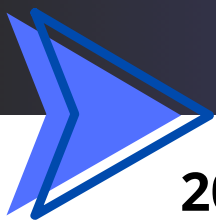

2027 Summer Camp Dates

Week One: June 13-19

Week Two: June 20-26

Week Three: June 27- July 3

Week Four: July 11- July 17

2027 Camp Fees

The Piedmont Council Camping Committee does its best to keep our summer camp fees as low as possible for each Scout. **The 2027 camp fee will include the 2027 CBS themed shirt** for every **Scout** and **FREE** or **PAID** (full week) **Adult**. **Note:** Camp Bud Schiele has a generous campership program for Piedmont Council Scouts who need financial assistance to attend summer camp. Please reach out to Trilby Coleman for additional information.

Scouts	Adult Leaders	Half Week Leaders
\$450	\$175	\$90
Provisional Scouts	Provisional Leaders	Schiele's Second Week
\$450	\$175	\$350

Second Week Discount

What's better than a week of camp? TWO WEEKS! Scouts who wish to attend Camp Bud Schiele for a second week of camp are invited to return to camp as a Provisional Scout at a special discounted rate of \$350 (does not include an additional themed shirt).

Leaders in Camp

In accordance with Scouting America, all units are required to have at least **TWO** adult leaders when traveling to camp, while at camp, and when exiting camp. All leaders **MUST** be registered in Scouting America, meet the qualifications for the leadership position in which they serve, and have current Safeguarding Youth Training. The two required unit leaders must be at least 21 years of age. Any additional leaders must be at least 18 years of age. Parents, committee members, and other adults who accompany the unit to camp must meet all the above requirements.

Please see the chart below for the free leader to scout ratio.

Scouts Attending	Full-Week Leader Fees Waived
5-10	1
11-19	2
20-29	3
30+	4

Additional leaders are available for a fee. Full-week leader include meals, lodging, an official camp patch, and themed shirt. Leaders may rotate when necessary; however, it is recommended for the best interest of the Scouts, that leadership remain consistent throughout the week when possible.

Camp Bud Schiele will do our best to accommodate one leader per tent. However, leaders cannot be guaranteed a tent to themselves depending on campsite capacity. Leaders should be prepared to share a tent with another adult within your campsite.

It is important to remember that **Scouts, NOT the unit, should cover ALL camp costs.** Units should NOT register or pay fees that have not been paid by an individual Scout. This prevents the unit from losing money if a Scout has not yet paid for summer camp.

Registration Procedures - NEW for 2027

In an effort to streamline the registration process for everyone attending, Camp Bud Schiele has adopted the following steps to summer camp registration. If you have questions about registering a unit, a scout, or an adult leader, please reach out to trilby.coleman@scouting.org.

How To - CouncilWare

Unit Deposit

Due at time
of Reservation

\$150

- A \$150 campsite deposit is required to reserve a campsite at Camp Bud Schiele.
- This fee is not an additional fee but is credited towards your total camp fees due to CBS.
- The Unit Deposit of \$150 is non-refundable after December 1, 2026.

Troop Count

Opens
Feb 7, 2027

\$150

- Beginning February 7, 2027, units may enter names of scouts and adults attending CBS into the CouncilWare system. Adding names, DOB, & gender to the system will require a deposit of \$150 per scout. The \$150 deposit allows units to register those scouts for classes beginning March 7, 2027.

Class Registration

Opens
March 7, 2027

- Units should complete payments for their Scouts prior March 7, 2027 to avoid delays in registering scouts for merit badge and other programs.
- Class registration will close **TWO WEEKS** prior to your arrival at Camp Bud Schiele. Changes to a Scout's schedule after this date must be done by contacting camp administration at: campbudschiele@gmail.com.

Final Payment

Due by
May 28, 2027

- Units are encouraged to check their summer camp balance on Tentaroo after completing class registrations for each Scout.
- Tentaroo accounts should be paid in full by May 28, 2027 and a final review of each unit account will take place on Tuesday during your unit's week of camp.

New for 2027, Camp Bud Schiele will be using the CouncilWare system for online registration. For step-by-step instructions, please visit: **(TBD)**. The CouncilWare system allows your troop to have access to records, run reports, and print your own blue cards from camp.

Troop Count

The Troop Count includes the number of adult leaders and scouts your unit plans on bringing to summer camp and may be increased or decreased from your original count provided during registration. Beginning February 7, 2027, troops may start entering names of the scouts who are attending in 2027. Please note that entering names will require a \$150 deposit for each scout upon checkout in the Tentaroo system. **It is highly recommended that scout names be entered prior to the class registration day of March 7, 2027.** Additional scout and adult names can be entered until registration closes two weeks prior to your arrival at camp. New for 2027-Once a class is in your cart, it is removed from the class list until you checkout. Eliminates the need to register one scout at a time for 2027.

Class Registration

On March 7, 2027 at 6pm Eastern Standard Time, the 2027 Class Registration system will open for scout class registration. Scouts who have paid their \$150 deposit will be eligible for class registration. It is important to enter names of scouts from February 7-March 6, 2027 so your unit is "prepared" for class registration on March 7th. Please note during your registration that if a merit badge class listed on the class schedule is no longer available online, that class has reached capacity. **The camp administration reserves the right adjust class schedules due to low class enrollment.** These adjustments will only be done if necessary and your unit will be notified if an adjustment is made.

Age Recommendations

Scouting America policy states that a scout can take any merit badge regardless of age. It is important to note, Camp Bud Schiele believes that many of the merit badges and programs offered are more suited for older scouts. Please review the Camp Bud Schiele program guide to see which badges are recommended for 1st or 2nd year scouts or older scouts. Troop leaders are responsible to ensure Scouts meet the recommendations of the merit badge and programs offered.

Changes to Scheduling

Troops may make changes to the scout's schedules through the CouncilWare system up to TWO WEEKS prior to your arrival at camp. Changes to schedules after that date, must be approved and managed by the camp administrative team.

Final Payment

Once a troop has finished registering all scouts and adult leaders online, the troop balance can be paid anytime through CouncilWare, calling the Piedmont Council office, or by mailing a check. A final review of each units balance will be conducted at camp to review incidental fees such as unit photos, or additional miscellaneous fees.

Camp Bud Schiele Refund Policy

Troop Deposit - A full refund on cancellations is available through December 1, 2026. After December 1st, the troop deposit is non-refundable.

Scout Fees - Scouts who cancel their class registration between March 7 and May 7 forfeit a non-refundable fee of \$50. Cancellations between May 8 and May 28 forfeit a non-refundable fee of \$150. Cancellations after May 28 or Scouts who do not show for camp will forfeit a non-refundable fee of \$250.

Adult Fees - Adults who do not show will forfeit a non-refundable fee of \$75.

In rare circumstances, camp administration may waive part of the non-refundable fee when documented medical emergencies or other circumstances beyond one's control. Most refunds will be credited to the troop's account balance. Please allow up to 3 weeks for a refund to be processed and received.

Registration Cutoff Dates

Week 1-May 23

Week 2-May 30

Week 3-June 6

Week 4-June 13

**After these dates the
Tentaroo online
registration will close
for additional changes.**

ANNUAL HEALTH & MEDICAL RECORD

Medical Forms & Medications

Annual Health and Medical Record (680-001)

REQUIRED Medical Forms

ALL participants at Camp Bud Schiele are required to have a physical exam prior to arriving at camp.

Form 680-011
Parts A, B, & C

All scouts and adults attending Camp Bud Schiele must have a physical examination before coming to camp. The physical exam must be updated and signed by a licensed medical professional each year. **Parts A, B, and C are REQUIRED to attend Camp Bud Schiele for ALL campers, both adult and youth.** Units are encouraged to make two copies of all forms BEFORE coming to camp. One copy must be turned in during the check-in process and kept with the camp's health officer. An additional copy should be kept with troop leadership.

Please note that Part C of the Annual Scouting America Health form requires a physical exam performed by a medical professional (MD or PA) prior to arriving at camp. **Any Scout or adult who does NOT have a completed health form will not be allowed to participate in any camp activities until an exam is completed and may be required to leave camp.** Unfortunately, there are no exams given at camp. Please ensure ALL health forms are filled out correctly and signed by parents/guardians.

In addition to the Annual Health and Medical Form, please include a copy of each participant's insurance card with their medical form.

On-Site Health Check-In

As part of the check-in procedures each scout and adult leader staying on camp is required to go through a health screening as required by NCAP policy. This is a chance to review any medical concerns and update the Health Lodge staff with any changes. Camp Bud Schiele reserves the right to refuse admittance to any person who, in the opinion of the Camp Health Officer, has a physical or medical condition that might present a hazard to the individual or others.

CBS Prescription Medication Policy

Utilizing the **Medication Form**, each unit should complete (before arrival at camp) a form for each individual required to take any prescription drug while attending CBS. Use one form for each camper with a prescription. The medication, dosage, and instructions should be recorded directly from the prescription instructions. By using these forms units may keep their prescription medication in their campsite in a lock box that may only be accessed by unit leaders. Units who elect to keep medication in the Health Lodge must complete an Individual Medication Record form with their medication. Medications must be in the original container to be administered.

All prescription medications (including those needing refrigeration) must be kept in locked storage and in compliance with local and state laws. In accordance with local laws, it is required that all Schedule II Narcotics be secured under dual lock and key in the Health Lodge for participants under the age of 18.

Medical Injections

Camp personnel are not authorized to administer medical injections. Campers who require injections need to administer injections or be accompanied by an adult trained and authorized (by parent/guardian in the case of a minor) to administer injections for that camper. Camp will require written authorization for another person to administer an injection. The only exception to this rule is when an allergic reaction need immediate attention that would require an EpiPen injection to treat that individual.

EpiPen and Inhalers

It is highly recommended by the Camp Bud Schiele Health and Safety team that Scouts and/or adult leaders who use inhalers, EpiPens, and other emergency medications carry the medications with them at all times. The camp health office does keep additional Epinephrine injectors in the health lodge when or if an emergency arises. It is also recommended that any camper or leader with a severe allergy wear a medical bracelet to indicate important information regarding any allergies.

Food Allergies & Food Accommodations

The Camp Bud Schiele staff will work to accommodate Scouts and leaders with common food allergies such as gluten, peanuts, tree nuts, dairy, and eggs. In most cases, these more common allergies can be avoided while at CBS. In addition, other accommodations such as vegetarian or vegan may also be accommodated.

Scouts or leaders who have specific food needs should complete the Dietary Request Form and submit with final payment on May 28, 2027 to: trilby.coleman@scouting.org. Campers and adults MUST be listed on the Dietary Request form and will be served those meals for the week. Campers/adults are not allowed to jump from the regular menu to the special menu from meal to meal. Please note that in some special instances, the Camp Bud Schiele staff may not be able to accommodate an individuals request and a participant may be required to bring their own food to supplement the camp menu. These foods MUST be labeled with the individual's name and unit number and a discount on camp fees may be offered.

CBS Tobacco Policy

In accordance to Federal Law, the use of tobacco products by anyone under the age of 21 is prohibited. In addition, CBS does NOT allow the use of ANY tobacco products including cigarettes, cigars, pipes, e-cigs, vapes, and smokeless chewing tobacco/dip (**except in the ONE area known as "Sonny's Place"**). This area is located to the right of the Camp Office/Leader's Lodge.

Unit Transportation

Safe Transportation of Scouts

Every unit attending Camp Bud Schiele is responsible for SAFE transportation of all youth and adult members. This includes making sure that all vehicles meet state and national insurance requirements. Units must follow the **Guide to Safe Scouting Transportation** section found here: www.scouting.org/health-and-safety/gss/gss11/ . In addition, at no time should an adult transport one or more youth to or from camp. It is important to remember that transporting Scouts or adults in a trailer or in the bed of a pickup is against Scouting America policy and is **NOT allowed under any circumstances**. CBS recommends units travel wearing the Field/Class A Uniform.

Parking

All troop vehicles should be parked in the main parking lot upon arrival at Camp Bud Schiele. Units should not park in the parking spaces by the dining hall or camp office while in camp. Units are encouraged to leave a troop trailer in their campsite and a vehicle may also be in camp if connected to the trailer. Vehicles should be cleared from all campsites by dinner on Sunday evening.

Driving Permits

All motorized vehicles wishing to drive in camp during the week will be required to have a Driving Permit issued from the camp office. These permits will be approved upon request and should be received at least two weeks prior to arrival at camp using the **Driving Permit Form** located on the camp website. You will be notified in advance if approved and permits will be issued from the camp office. Permits on ALL motorized vehicles are required and must meet the minimum standards below.

- Certificate of completion of ROHVA E-Course (UTVs)
- Certificate of completion of ROHVA Hands-On Basic Driving Course (UTVs)
- Driver's License - all drivers must be at least 21 years of age with valid license.
- Proof of Insurance (required on ALL motorized vehicles including UTV/Golf Carts)
- Release of Liability form

As vehicles present a safety hazard for pedestrians on camp roads, this rule will be strictly enforced; only extreme circumstances warrant a vehicle pass. Under no circumstance is a vehicle used to transport scouts unless they have a mobility issue or have a permit to transport.

UTV Required Training

While Golf carts and UTVs can make getting around camp much easier for adults, these motorized vehicles are **prohibited** on camp property unless there is a medical need or to help accommodate a camper/leader with a disability. The Camp Administration must approve a request for a Golf Cart or UTV at least **two (2) weeks prior to your units arrival at camp.**

Training for UTVs must follow specific manufacturers' training requirements and include online course certification of all operators found at: <https://cbt.rohva.org>. **Online training only is not adequate;** drivers must also complete the hands-on Basic Driver Course component certified by the Recreational Off-Highway Vehicle Association and a certificate of completion is required.

Golf Carts on CBS Property

It is important to remember that while Golf Carts do not required the same certifications as UTVs, ALL golf carts on camp property are required to have **proof of insurance** as well as a **release of liability form**. Golf Carts without proof of insurance will not be allowed at camp property. The Camp Administration must approve a request for a Golf Cart or UTV and the Driving Permit Form must be submitted by May 28, 2027 with final payment to: campbudschiele@gmail.com

Please complete the Driving Permit Form to request the use of a UTV or Golf Cart during your camp stay.

CBS Programs Offered in 2027

At Camp Bud Schiele, we strive to offer programs to meet the needs and adventures for Scouts of every age. From our first-year camper program called Trailhead, to our two off-site Trek programs, unique Skilled Trades programs, and our fantastic merit badges, Camp Bud Schiele has something to offer everyone.

During the week, Scouts and leaders can enjoy nightly events including troop recreation, movie night, vespers, campfires, and more. These programs add additional program opportunities which enhance the summer camp experience.

In addition to offering programs for all age Scouts, Camp Bud Schiele wants to make the week at camp enjoyable for leaders as well. Adult leader trainings are offered each week by the Piedmont Council Training Team and weekly activities like our Scoutmaster vs. Key Staff Volleyball game, Scoutmaster Cobbler Bakeoff, the Scoutmaster Golf Tournament, and the Scoutmaster Dinner are just a few exciting activities that leaders can enjoy while at camp.

Attention to Details

Camp Program Recommendations

While Scouting America policy states that all merit badges are available to be taken by any Scout, it is important that leaders try and follow the camp recommendations. Many of our programs are more physically and mentally demanding and suited for older Scouts. In some cases, the programs may have an age requirement to participate. Please review the 2027 Camp Bud Schiele Program Guide for additional recommendations for all programs.

Requirements Not Completed at Camp

As with most summer camps, there are some merit badges offered where not all of the requirements can be completed during a week of camp. In these instances, Scouts will receive a partial from camp which can easily be awarded by the troop once all requirements have been completed. A detailed list of requirements not covered is provided in the 2027 Camp Bud Schiele Program Guide.

For details and additional information regarding the unique programs offered at Camp Bud Schiele, make sure to check out our 2027 Camp Bud Schiele Program Guide.

Arriving at Camp

Troop Arrival/Check-In

Arriving at camp during your scheduled time is vital to your units check-in experience. It is recommended that you use Google Maps and/or GPS to determine departure and arrival times. Approximately one to two weeks prior to your arrival at camp, units will receive an email with a link to our Check-In Form. Units will be able to select an arrival time for Sunday between 1:30PM-4:30PM. **It is imperative that units arrive within 15-30 minutes of their scheduled time.** Units arriving outside of their scheduled check-in time may experience a longer wait time. All members of your unit should arrive to camp together.

Out-of-Council Early Arrivals

Out-of-Council units with travel times greater than 4 hours that wish to arrive to camp early should notify Camp Administration by May 28, 2027. This will allow our staff to be prepared for your arrival and accommodate your request. Please reach out to trilby.coleman@scouting.org for requests.

Troop Check-In

Once at camp, your unit will be directed to park in our parking lot. Once parked, one leader will be directed to the check-in station to go over paperwork and receive wristbands for both adult and youth participants. While the other adults and scouts prepare for their troop photo and are assigned a Troop Guide to lead your Scouts in the remaining check-in process.

Troop Photos

Each unit arriving at camp will have the opportunity to take a troop photo of your unit in front of the Camp Bud Schiele sign. As referenced in the traveling to camp section, Troops are encouraged to arrive to camp in full Field/Class A Uniform for the troop photo. Photos can be ordered through the CouncilWare system or upon arrival at camp. If you need to make a change to your photo order, please notify Camp Administration at Settle Up on Tuesday morning. 8x10 Photos are \$10 each and 5x7 Photos are \$7 each. Photos will be with your check-out packet at the end of the week. Please have scouts line up TALLEST to SHORTEST for their troop photo. **Troops NOT ordering photos are NOT required to have your photo taken.**

Campsite Inspection

Once the troop photos have been taken, a Troop Guide will lead the scouts to their assigned campsite for tent selection and site inspection (adults may drive gear to campsite). Scouts should unload personal gear into their tent and quickly change into their swimwear for the next portion of the check-in process. Please understand that this is not the time to unload troop gear or try to set up camp. If your troop would like to try and expedite this process, a day pack with each scout upon arrival with a WATER BOTTLE, SWIMWEAR, and TOWEL would eliminate the need to unload gear until after check-in is complete. **Units who conducted swim test prior to camp do not need to change into their swimwear.**

Sunday Schedule

1:30PM- Check-In Begins
4:30PM- Check-In Ends
5:55PM- 1st Dinner
6:30PM- Assembly
6:45PM- 2nd Dinner
7:30PM- SM/SPL Meeting
8:30PM- Campfire
10:00PM- TAPS

FIRST STOP - CBS Health Lodge

All participants (youth & adult) attending CBS are REQUIRED to meet with a camp health officer who will examine each participant's health form and complete their required health re-check. The re-check is to make sure that no significant changes have occurred since the physical examination was given. Camp Bud Schiele reserves the right to refuse admittance to any person who, in the opinion of the Health Officer, has any physical or medical condition that might present a hazard to themselves or others.

SECOND STOP - CBS Dining Hall

After everyone has completed their health re-check, participants will go to the Moretz Dining Hall for a Range Activities safety briefing and instructions on dining hall procedures. Here a member of the RA staff will talk to Scouts about safety on the ranges. It is important that ALL scouts pay attention during this briefing regardless of their merit badge schedule. Once the troop has completed their RA briefing, a member of the Dining Hall Staff will inform troops on how to line up for assemblies, how to enter the dining hall, and the dining hall clean up procedures for each troop/scout.

THIRD STOP - Waterfront

Typically, all participants will take an annual Swim Classification Test at the waterfront as part of the check-in process. Units who have completed their classification test within 6 months of their arrival to camp may bypass this step by turning in the **Swim Classification Record**. The classification record can be turned in to the Aquatics Director during check-in (**copies only-troop should keep original**). Note, all waterfront activities at Camp Bud Schiele happen in Lake Bynum Carter, which is very different from a pool. Scouts who are good swimmers in a pool, may not be as comfortable in a lake where they can't touch or see the bottom.

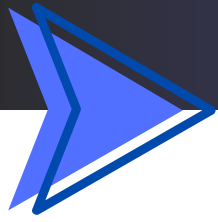

The aquatics staff reserves the right to re-test any scout or leader during the week.

Troop Assembly & Dinner

Once all troops have checked in and the health re-checks and swim test are complete, the dining hall will play the bugle call Assembly for troops to line up in the Moretz Dining Hall parade field. Assembly will be around 6pm on Sunday with dinner following.

Scoutmaster/Senior Patrol Leaders Meeting

After Sunday dinner, we will conduct a Scoutmaster and Senior Patrol Leaders Meeting to introduce you to our key staff, provide you with some important details for the week, as well as, review some of the policies and procedures for the week. In addition, there will be time for Scoutmasters/SPLs to ask questions. The SM/SPL meeting will be held in the OA Shelter beginning at 7:30PM.

Emergency Drill

Please note: The emergency drill is NOT listed on the schedule but will occur at approximately 8:00 PM. The emergency procedures will be covered at Sunday evening assembly.

Opening Campfire

Immediately following the emergency drill, everyone will make their way to the Lafar Amphitheater for the opening campfire, presented by the 2027 Camp Bud Schiele Staff.

CBS Daily Schedule

While Sunday Check-In and Saturday Check-Out have a specific schedule, Monday through Friday will follow a similar daily schedule each week. The 2027 Camp Bud Schiele Daily Schedule has changed slightly from previous years and has been made keeping the Scout in mind to better maximize everyone's experience while at Camp Bud Schiele.

Scout Schedules

Troops will receive a master schedule upon check-in for every scout registered in the Councilware system. Scouts who need or want to change their schedule may do so with leader approval by visiting the camp office. Schedule changes can be made on Monday morning immediately after breakfast. All schedule changes should be completed prior to lunch on Monday.

Nightly Activities

Monday Night- Scoutmaster Cobbler Bakeoff

Come join the senior staff as the Scoutmasters compete for the golden spoon! Scoutmasters are invited to participate in the Scoutmaster Cobbler Bakeoff. After the competition has ended, it is highly encouraged for Scoutmasters to bring their cobbles to the ice cream social for all Scouts to enjoy.

Monday Night- Ice Cream Social

Come join the camp staff for a great night of fellowship and cool down with some ice cream. Although we can't guarantee the ice cream will be "homemade", we can guarantee a good time together. Wear your best pirate gear and come hang out, play some games, and enjoy some music together.

Tuesday Night is MOVIE Night!

Movie night at Camp Bud Schiele has become a favorite for campers and staff. Pizzas will be handed out starting at 8:30PM in the Amphitheater and the movie will begin around 9:00PM. In addition, the Hawaiian Ice truck will be on site selling a variety of flavored shaved ice drinks. Pizza orders can be placed by visiting the Trading Post.

ALL Pizza orders MUST be in by 12:00 PM on Tuesday.

MOVIE NIGHT-ICE CREAM SOCIAL-VESPERS-CAMPFIRES

Nightly Activities

Wednesday Night Vespers

On Wednesday night in the Warlick Chapel, Camp Bud Schiele will host a short interfaith vesper service for all scouts and leaders. Vespers will begin immediately after twilight activities on Wednesday around 8:30 PM. Scouts currently serving as Chaplain's Aids are encouraged to assist with the service. We invite the entire camp to participate in this important opportunity for scouters to be reverent and self reflection.

Camp Bud Schiele Grace

Thank you Lord for morning
sunshine and evening stars, for
fun and adventure near and far.
For friends and fellowship here at
camp, please guide us O' Lord with
your heavenly lamp. Amen.

Wednesday Night - OA Cracker Barrel

Immediately following Wednesday night vespers, the Esau Huppeday Lodge will host a Cracker Barrel for the entire camp! This is an excellent opportunity to learn more about the Order of the Arrow and maybe trade a patch or two.

Thursday Night is Family Night

Back by popular demand for 2027 is Family Night! Each Thursday, parents, families, and other visitors are welcome to arrive at camp beginning at 5:15 PM. This is a great time for your troop to organize a troop potluck dinner for scouts and families to enjoy at camp. Units who need to have dinner provided can still enjoy dinner in the dining hall on Thursday evening. A sign up for Thursday night dinner is available in the leaders lodge and units must sign up to ensure food for their troop (Sign-ups must be made by Wednesday). After dinner, parents can enjoy watching troops compete in the Catapult Challenge, Troop Canoe Race, and the world famous, Scoutmaster Belly Flop! All visitors should plan on departing camp by 9:15 PM.

Friday Night Closing Campfire

Closing Campfire is YOUR campfire! On Friday night at 8:30PM, we celebrate you and your accomplishments during the week. Here you will be able to put on your own skit, receive ribbons, learn who takes home the Spirit Stick, and Bud Schiele's Best!

Troop Check-Out

Saturday Schedule

7:00-7:30 AM - Breakfast

7:30 AM - Pack, Clean,
Inspect, and Depart

10:30 AM - ALL units must
have departed camp.

Troop Departure/Check-Out

On Saturday morning, a Troop Guide will be in your campsite by 7:30 AM to help you with your check-out process. A grab and go breakfast will be available for units **per request** and may be picked up at the dining hall Saturday morning from 7:00-7:30 AM. Units wishing to take advantage of the Saturday breakfast must sign up by the Scoutmaster Dinner on Wednesday night. Please send at least 2 scouts to pick up your breakfast.

Early Departure Special Request

Although early departures are not common, they can be approved upon request. Any unit needed to leave camp prior to 7:30 AM should notify the camp office prior to dinner on Friday.

Campsite Final Inspection

Prior to departing from your campsite, an adult leader and troop guide will inspect tents used and the bathhouse area for approval. Excessive damage to a site, other than normal wear, may result in the unit being charged for repairs or replacement. Once all areas have been inspected, the unit should take the signed check-out form to the camp office to receive your unit paperwork, patches, pictures, and leader's mug(s). Don't forget to check the lost and found on your way out.

Living at Camp

Troop Campsites

What to Expect

All campsites at Camp Bud Schiele have similar accommodations and provide scouts and leaders with everything needed to have a great week at camp. All of our campsites are equipped with wall tents for Scouts and leaders, a bathhouse, and some of our sites have large shelters as well. Please see page 22 for those campsites with permanent shelters in them. Each tent can accommodate two youth or two adults, although we try to provide a single tent for each adult.

Campsite Tents

Our tents are currently Diamond Brand Wall Tents with bug screens on front and back, along with window and ridge ventilation. Tents measure approximately 9 feet in length, 7 feet in width, and 7 feet high in the center. Each tent is on its own wood platform & tent frame and are furnished with two Coleman Trailhead II camping cots (Cot Dimensions: 73 x 35 x 17 in).

Remember Safeguarding Youth Guidelines for Tent Camping

As required by Scouting America's Safeguarding Youth Guidelines, Camp Bud Schiele requires all participants to following the guidelines for tent camping in ALL tents at CBS. Leaders MUST ensure their scouts and adults follow these guidelines:

- Youth who share a tent must be no more than two years apart in age.
- Separate tent arrangements must be provided for male and female adults as well as for male and female youth.
- When a co-ed pilot troop or a male troop and a partnering female troop are sharing a campsite, adult leaders MUST be between male and female tents.
- Spouses (legally married) may share a tent.

For additional information on Safeguarding Youth, please visit: www.scouting.org/training/youth-protection

FLUSH TOILET and HOT SHOWER Facilities

At Camp Bud Schiele, we are pleased to be able to provide in every campsite a BATHHOUSE complete with **HOT** showers and **FLUSH** toilets. Bathhouses include separate lockable showers and restrooms which provide privacy for each scout and leader. As a reminder, campsites are not equipped with power and currently there are ONLY solar powered lights in the bathhouses in campsites 1, 2, 8, and 11. We are looking to expand this service in 2027, but units should plan on providing a light source when using the bathhouses after dark.

In addition to the campsite bathhouses, there is a main shower house located in the center of the camp for additional flush toilets and hot showers as well as power in each restroom.

PLEASE NOTE:

- The numbers of tents above are provided to give you an understanding of the ideal number of scouts and leaders that fit into a specific campsite. Our staff will work to accommodate each unit as much as possible and ensure you have the best possible experience while at Camp Bud Schiele. There may be a situation that requires the staff to make an adjustment in a unit's reservation based on space for that campsite.
(The numbers above are NOT maximum capacity and may be adjusted upon troop needs.)
- CBS will do our best to make sure every adult has their own tent, but please understand, we are unable to guarantee a tent for every adult leader.

Campsite Damages

Please help us remind the scouts to take care of the camp. Should damages within the campsite occur by members of your unit, the unit will be responsible for the costs. These include cuts to tents or items that get broken during the week outside of normal wear.

Please report any damages discovered at check-in to your Troop Guide or the Camp Director.

Things to Remember

- A Scout is CLEAN: Trash should be picked up daily and taken to dining hall dumpsters.
- All food should be secured and kept in troop trailers, if possible. It is recommended to not keep food in tents to prevent damage from animals to tents and personal gear.
- Scouts should not enter or walk through other campsites.
- A vehicle should be left attached to troop trailer in campsites.

Camp Needs

Packing List - Individual and Unit

One of the most important things to make a week of camp enjoyable for all your scouts is what they pack. To help avoid leaving an important item at home, please visit campbudschiele.org/packingforcamp to review our recommended packing list for your scouts and unit.

Camp Bud Schiele Dress Code

Camp Bud Schiele has a dress code that must be followed by all participants. Most of the dress code is for safety such as appropriate clothing for activities as well as ALWAYS wearing close-toed shoes while at camp. Please make sure your scouts and leaders are familiar with the CBS Dress Code. A detailed listing of the dress code can be found at: campbudschiele.org/dresscode

Where's My _____? Lost & Found

So that scouts and leaders don't have to go searching all across camp, Lost and Found is located in ONE central location-**the Camp Office**. Please make sure you encourage all scouts to mark their important items with their name and unit number. Our camp staff will make an effort to return items that can be identified during the week. Lost and Found will be placed outside the office on Saturday so hopefully it will find its home. Items in lost and found will be boxed by the week and kept until the end of camp. At the close of camp, items will be donated or discarded.

Camp Facilities

Trading Post - Snack Bar

The CBS Trading Post is located in the center of camp between the OA Shelter and the Handicraft shelter. Connected to the Trading Post is the camp Snack Bar. The CBS Trading Post is stocked with a variety of items including many items with the CBS Logo. These items include the CBS mug, t-shirts, belts, key chains, patches, and more. The Trading Post is open during the day and evening and typically closes prior to camp-wide activities such as campfires, and Movie Night. In addition to camp items, the Trading Post carries essentials such as soap, water bottles, flashlights, and rain gear.

Scouts are encouraged to bring a pre-paid debit card with their name and unit number written on the card. This eliminates them losing cash and also the pre-paid card may be returned if lost. Scouts typically spend about \$100-\$150 during the week in the Trading Post and Snack Bar.

Moretz Dining Hall

Located in the center of camp is the Moretz Dining Hall where all meals are served and most camp announcements (are you singing?) are shared. Prior to every breakfast and dinner, everyone will assemble in the parade field for raising and/or lowering the flags.

The camp menu is created with the youth in mind and is approved by a registered dietitian. The camp menu will be posted to the camp website at campbudschiele.org/menu once approved.

As previously mentioned, our camp staff will do their best to meet the needs of every camper. However, scouts and leaders who have dietary restrictions should submit the **Dietary Request Form**.

One form should be filled out for each adult or scout needing modifications and submitted by May 28, 2027 prior to your unit arriving at camp. It may also be necessary for individuals with special needs bring any specialty foods they may need to supplement our regular camp menu.

Leader's Lodge / Wi-Fi

Need a place to get away from your Scouts, get a little work done, or practice napping? The Leader's Lodge offers air conditioning, a coffee bar, restrooms, and internet access. We are using satellite internet to provide our camp access. You can pick up the internet in the Leader's Lodge, Dining Hall, OA Shelter, and Trading Post. We are limited on the amount of data we can use for a month period so we must keep access password protected for all unit leaders. Scouts should not be permitted on the camp internet.

Quartermaster's Shed

Located in the main shower house, the Quartermaster's Shed is stocked full of items your troop may need while at camp. A list of equipment that can be found is below.

Quartermaster Equipment

- | | | | |
|--------------------|---------------------|-------------------|-----------------|
| • Wheelbarrow | • Bow Saws | • Toilet Paper | • Shovel |
| • Rope | • Ax | • Broom | • Hose w/Nozzle |
| • Shovel and Rakes | • Cleaning Supplies | • 5 Gallon Bucket | • Hammer/Tools |

Leader Adventures

Camp Bud Schiele recognizes that without the leaders there would be no scouts attending summer camp. Therefore, we have developed special adventures for our leaders while you are in camp. These adventures can be both fun and beneficial for leaders who participate. Make sure to take advantage of these leader activities while you are at Camp Bud Schiele.

Training

All leaders know that every youth in Scouting deserves a trained leader. That is why at Camp Bud Schiele leaders can participate in several training programs offered during camp. These trainings are conducted each week and may vary depending on our training team. Our volunteer training committee takes time out of their schedule to teach adult sessions each week so training may vary from week to week.

Scoutmaster Merit Badge

The Scoutmaster Merit Badge is designed to promote adult leaders participation in the camp program. You can find the requirements for the SM Merit Badge on the CBS website. You are NOT going to want to miss out on this year's patch!

Scoutmaster Golf Tournament

Fore!!!! On Friday morning after Coffee Klatch, adult leaders have an opportunity to put their golfing skills to the test on Camp Bud Schiele's "Master's Level" 9-hole golf course. The best part is that you get to make your own clubs from materials found at Camp Bud Schiele. So, put on your golf pants and polo shirts and tee-off at Camp Bud Schiele!

The Great Bud Schiele Scoutmaster Cobbler Bake Off

Each unit can submit one cobbler for the Scoutmaster Cobbler Bake-off so you might want to have an competition within your unit prior to submitting your best. Your unit is encouraged to bring your best cobbler recipe and enter it into the bake-off. Winner-take-all competition to be awarded at closing campfire.

Scoutmaster vs. Key Staff Volleyball

One of the highlights for leaders during the week is the very competitive Scoutmaster vs. Key Staff Volleyball game. Every adult leader on camp that week is welcome to join in the fun as the camp staff hopes to go undefeated (or winless). Bring your best competitive spirit and show off your skills. The game will start on Friday afternoon at 4:45PM.

Scoutmaster Coffee Klatch (derived from the German word Kaffeeeklatsch, meaning "coffee chat")

Every morning the Camp Commissioner will host a Coffee Klatch or Kaffeeeklatsch complete with a freshly baked cobbler. All adult leaders staying in camp are invited to attend to hear important information regarding program scheduling and to give feedback on their camp experience.

- Monday Topics - Welcome and Scheduling Changes (if any) for the week, Scoutmaster Dinner
- Tuesday Topics - Tuesday's schedule and Movie Night
- Wednesday Topics - Wednesday's schedule, Vespers, and OA Cracker Barrel
- Thursday - Thursday's schedule and parent night
- Friday Topic - Friday's Schedule and important check-out information

Scoutmaster Surf and Turf

On Wednesday evening, the Piedmont Council would like to recognize all adult leaders for their commitment to Scouting with a surf and turf dinner. All adult leaders may attend with no additional cost. The dinner will be held in the OA Shelter immediately following assembly! Each unit should sign up all leaders who will be attending the dinner by Monday morning's Coffee Klatch.

Additional Leader Information

CPAP Machines

For leaders with CPAP machines, please note that **campsites do not currently have electricity**. To prepare for camp, two options are suggested:

- Avid campers may consider purchasing a battery-operated CPAP machine. A good source for battery-powered CPAP machines is **www.cpap.com**. CPAP machines requiring charging can be done at any location with power.
- Those who use a machine that requires 120v AC power (household current) can bring an inverter and an automobile battery. This is a proven method for many campers over the past several summers. Please note that vehicles cannot be parked in or near campsites to power CPAP machines.

Discipline and Adult Supervision

The role of the summer camp staff is to provide the summer camp program and all the other camp infrastructure needed to ensure a safe and enjoyable stay at camp. As with any unit outing, the adult leadership of each unit is responsible for the behavior of their scouts and being available to deal with discipline issues should they develop.

Cell Phone Usage

The purpose of camping is for scouts to grow in their outdoor life. Therefore, the usage of cell phones while at camp is discouraged. Cell phones can also create issues dealing with Safeguarding Youth. It is up to each unit to have a cell phone policy while at camp. It is understood that Scouts will use their phones while at camp but this should be limited when possible. The camp has several charging stations: OA shelter and Dining Hall. Scouts should stay with their cell phones while they are being charged.

Note-Camp Bud Schiele and the Piedmont Council will not be held responsible for any electronic device stolen, lost, or broken while at camp.

The Role of the OA

The Order of the Arrow plays a crucial role in the summer camp experience at Camp Bud Schiele. During the non-summer months, the Eswau Huppeday lodge provides a labor force to make sure camp is set up and ready for the summer camp. The Lodge over the past several years has made major improvements to the camp property.

The Piedmont Council and the camp staff are very grateful for all that the Lodge does for the camp and want to recognize their work. On Wednesday, we encourage campers to wear an OA shirt during the day and their OA sash to the evening assembly. After Vespers, we invite all OA members to enjoy an Ice Cream Cracker Barrel under the OA Shelter for some fellowship and maybe a patch trade or two.

OA Callout

The Eswau Huppeday Lodge will conduct a callout ceremony for scouts and leaders elected to be an Ordeal candidate. Any troop, regardless of the council, can have Scouts and Scouters called out in the ceremony. Out-of-Council units that need to conduct a call out should present to the OA Camp Chief a letter from their lodge attesting to the validity of the election and to give Eswau Huppeday permission to conduct a callout. Units needing an election from Piedmont Council may conduct one during the week, just contact the OA Camp Chief to arrange a time.

Safety and Security

While we want every scout to have a fun and an exciting week, safety is a top priority in our program, in the campsite, and around camp. Please take note of the camp rules found at: campbudschiele.org/rules. In case of an accident or an emergency, Camp Bud Schiele has a Health Lodge that is open 24 hours a day. Staff members are trained in handling minor accidents and illnesses. In addition, we have a working relationship with Rutherford Regional Health System for the treatment of more serious incidents. If this kind of treatment is required, the scout's parents will be notified by telephone, and their wishes concerning treatment will be respected. If a trip is required, we ask that the unit be responsible for transporting the Scout and camp will ensure that all Safeguarding Youth policies are followed. The Camp Health Officer must clear all cases requiring outside medical care.

Coming and Going

To enhance our security efforts we require parents, leaders, and scouts to sign in and sign out at the camp office when entering or leaving camp during the week. Scouts who are leaving camp early will need to check out at the camp office with our staff while being accompanied by an adult from the unit to authorize the departure. Unit leaders should encourage all guests and visitors to depart by 9:00PM. If there are concerns of an individual Scout's well-being and protection, the unit leader should contact the Camp Director immediately.

Wristbands

All youth and adults must wear a wristband during their week at camp. Wristbands help identify every person who has been cleared by camp administration to be at camp. Wristbands also allow for meals in the dining hall and will be given out at check-in. Special dietary needs will be identified with a wristband in 2027.

Weather Impact on Program/Activities

Occasionally, camp programs and activities will be impacted by weather events. The Aquatics, Climbing, and Range Activities areas are often first impacted. Thunder and lightning in the vicinity of camp can cause us to delay or cancel activities. These decisions are made in the interest of camper safety. Decisions made to close an area are usually determined by the Area Director in consultation with the Camp Administration. As always, we depend on our unit leaders to be aware of any weather activity that they deem may impact the safety of their scouts. You should follow weather safety guidelines and camp announcements.

Wheelchair & Limited Mobility Access

Camp staff will make every effort to place those with mobility challenges in campsites with access for those with limitations or disabilities. However, Camp Bud Schiele has limited wheelchair access to tents, restrooms, and other campsite features. If you need special consideration, please submit a Special Needs email to the Trilby Coleman at trilby.coleman@scouting.org so we can address the need appropriately. Campsite 8 is reserved for Scouts/Leaders with special needs and units with those needs will be given priority.

Taps and Quiet Time

By 9:30PM, except on Movie Night, Scouts should be in their campsites and preparing for bed. "Taps" will be played at 10:00PM. All Scouts and leaders are expected to be in the campsite between 9:30PM and 6:30 AM, unless there is an emergency. After "Taps," leaders should make sure all scouts are in bed, lights out, and quiet.

Emergency Procedures

In any large-scale operation, there exists the possibility of emergencies. These procedures are to help the staff and leaders perform efficiently in any emergency and keep everyone informed.

- Keep scouts under control.
- In the event of a serious situation, the Council Leadership are the ONLY individuals authorized to release information or speak to the press.
- In case of serious injuries, get names of witnesses, get all the facts and put it in writing immediately. Witnesses should NOT talk with anyone other than the proper authorities.

Minor Accidents and Emergencies:

Minor accidents may be treated as First Aid in your campsites. When in doubt, check with the Health Officer.

Major Accidents and Emergencies:

Please notify the Camp Health Officer and Camp Administration immediately of all major accidents and emergencies.

Lost Camper:

Periodic headcounts are suggested. If a scout is missing following a search of the campsite, notify the Camp Administration immediately.

Emergencies Requiring Camp Mobilization:

Upon hearing the sirens, the entire camp assembles in unit formation on the parade field. A general alarm drill will be conducted on Sunday.
